

Hungarian Kapisztrán Folk Ensemble of Winnipeg.
Building Community One Family at a Time!

To Whom It May Concern,

The Hungarian Kapisztrán Folk Ensemble of Winnipeg has been a staple in the cultural community of Winnipeg since 1960 and continues to foster culture and community through various activities which includes the Folklorama Festival every year at the RBC Convention Centre.

The Ensemble has the honour of hosting the 47th Western Canadian Hungarian Folk Festival in 2025 and will welcome hundreds of performers and musicians from across Canada and Hungary to engage in continuous learning and study of folklore here in Winnipeg. Dancers and musicians will have the opportunity to both learn and showcase their talents at a gala performance on Saturday October 11, 2025 at the Manitoba Theatre for Young People (MTYP).

The Thanksgiving weekend on an annual basis is rich with music, workshops and comradery that not only adds to the quality of life of participating individuals and their communities, but an opportunity for the next generation to continue to learn and perpetuate important traditions. Hosting the festival locally allows our youth dancers ages 4-17 to participate and engage in this unique event.

The theme for this year's festival is "Family" as such our workshops and events are intended to attract more families to participate. Having a healthy pool of youth participants is critical to long term success and community growth.

To ensure we can continue to build our community, we are asking local businesses and individuals in the community to invest in celebrating cultural diversity and helping to support traditions that continue to make Winnipeg a great city to live and host visitors.

A menu of opportunities accompanies this letter, please feel free to contact me to discuss options for customization.

Kind regards,

Liz Kovach
